PB Property are delighted to offer this fantastic apartment, on a quiet street, in the heart of La Nucia. You enter the property via a very clean entrance hall with motion sensed lighting. The apartment is extremely clean and has been freshly painted ready for it's new owners. All rooms are very bright and airy. There is a lovely balcony which has open views to the mountains. The livingroom, and both bedrooms benefit from hot/cold airconditioning, ensuring that the apartment is comfortable all year round. What makes this apartment particularly unique is that it has a communal pool in the centre coutyard of the building. And, if that was not enough, the apartment also has an elevator and private underground parking! We highly recommend viewing to avoid disappointmen
