This is a fantastic, modern apartment in the heart of La Nucia, next to all the amenities you could possibly need. The entrance is located on the main street of La Nucia, but the apartment enjoys a south facing position and is therefore nice and quiet. The jewel of this apartment is the terrace which gets full sun all day with views into the valley with even a glimpse of a sea view. The master bedroom, with en-suite also opens onto this fabulous outdoor space. As you will see the apartment is as near to new as you can get and has been very well looked after. And if that is not all, this apartment is sold as seen, therefore full furnished and also has a private underground parking space. This property really does cater for everyone! A must see!
