PennickblackwellProperty are delighted to present an exclusive new Development in the heart of Albir of 14 designer Villas with privileged views of the Mediterranean. Inspired by the beautiful beaches of the region, this gorgeous development contains 14 modern, detached villas, each with beautiful views of the sea and Sierra de Bernia region. Each house has its own garden, pool, private underground parking garage and roof terrace.

Buyers have the choice to decide how to outfit the villa as they choose with such options as A private Cinema in the underground space, a personal gym or games room. How about a roof top Sauna or Jacuzzi to enjoy while watching the sun sparkle off the clear blue sea? The choice is yours! The villas themselves are meticulously designed with open spaces where light cascades around you through the large windows and double height interior spaces. Every facet of the property will be finished to the highest detail from the larges *\*...read more on*
